Rules Outlined For SC Campaign Period

• THE CAMPAIGN PERIOD for Student Council elections will begin April 20, and will end at midnight Tuesday, April 28.

The election period will begin at 8:00 a.m., Wednesday, April 29 and last through 8:00 p.m., Thursday, April 30.

Council advocate Tim Mead has outlined the rules for campaigning. Campaigning was defined as the use of any reasonable means necessary to influence the opinion of voters to ballot for a particular candidate. Certain limitations have been established: there may be no more than two posters per candidate placed in any one school building. No campaign literature will be allowed in classrooms or in the Student Union.

Money Spent

Mechanically reproduced material may not be distributed in the street or in class rooms, and no more than \$25 may be spent on any one candidate's campaign. A budget of estimated expenses must be submitted at the time of the election forum. Any gifts, donations, etc., will be assigned their retail value for the purpose of listing expenses. The expenses

of advertising in the HATCHET will be limited to a maximum of three dollars (\$3.00).

During the election period other rules must be observed. Additional posters may not be placed in school buildings after the campaign period. No campaign literature may be distributed during this period, and demonstrations favoring a candidate will be permitted only on Wednesday, April 29: 8:30 a.m. to 9:00 a.m., 12:00 noon to 1:00 p.m., 5:00 p.m. to 6:00 p.m.; Thursday, April 30: 8:15 a.m. to 8:45 a.m., 10:00 a.m. to 11:00 a.m., 12:30 p.m. to 1:00 p.m. and 5:00 p.m. to 8:00 p.m.

Demonstrations

Locations of these demonstrations will be limited to G st. from 20th st. to the west end of Monroe hall, and 21st st. between G and H sts.

Demonstrations or any means of influencing voters will be allowed, providing that no literature is distributed and there is no undue noise.

The polls in front of the Student Union will be open from 8:30 a.m. to 8:00 p.m. on both days of elections. Proper identification must be presented at the polls, in

order to insure that only University students vote. Activity books will not be required, but may be used as identification if properly signed.

The parties will be one hour long—2:00 to 3:00, 3:00 to 4:00 and 4:00 to 5:00 p.m. During the first hour the male groups will visit the corresponding group of sororities. At the end of each hour, they will rotate until each male group has visited each sorority group. During the hour, the men may visit any number of the four sororities in the group. From 3:00 to 4:00 p.m. the sororities will serve refreshments.

Signature Card

At registration the men will receive cards on which will be listed the sorority names and the schedule of visitation. The social chairman or president will sign the card when her sorority is visited. Signatures may be obtained only during scheduled visits.

A prize will be awarded to the fraternity with the largest percent participation. A participant is one who has obtained at least nine signatures. The winner will be probably announced at the Colonial Cruise, Galle Cook and Dick Wills and co-chairman of Emanon.

HARRY LAWTON, JR., received his B.S. in Physics at Union College, Schenectady, N. Y., in 1960, joining General Electric that same year. He received an M.S. degree in Management Engineering from Rensselaer Polytechnic Institute in 1968.

"Long-range programs are important —for both men and missiles"

"In a company dedicated to research and development, a young man's opportunities to learn more—to increase his technical skills—are almost unlimited," says 31-year-old Harry Lawton, Jr., a General Electric engineer engaged in the development of inertial guidance and fire-control systems for ballistic missiles. "And to maintain America's scientific leadership, we're going to need all the technical training and skills we can produce."

"An important aspect of my job at General Electric is the continuing opportunity to learn more. I've been able to continue my education in the company's Physics Program for college graduates. And I also have the advantage of association with top technical experts in my work. Opportunities like this have helped me realize that long-range programs are important—for both men and missiles."

Harry Lawton is one of several hundred technical graduates who are devoting their skills to the develop-

ment of 14 government missile projects to which General Electric is a major contributor. More and more our scientific progress and our national security depend on men like this—men who bring high qualifications to their work and who continue their quest for knowledge, both on and off the job.

General Electric believes that individual initiative and career growth are essential to America's continued technological leadership. To this end, the company encourages all of its employees—including more than 30,000 college graduates—to develop to their fullest capabilities by providing opportunities for increasing knowledge and working skills.

New Programs

• THE STUDENT COUNCIL, in cooperation with the Russian Language club and Psi Chi, psychological fraternity, is sponsoring two programs that should prove to be of great interest to G. W. students. The Cultural Committee of the Council, continuing the fine work it has been doing all year, has lined up a symposium on *Dr. Zhivago* and has obtained Dr. J. B. Rhine to present a lecture on Extra Sensory Perception.

Mr. Max Freedman, noted lecturer and writer, who is the Washington representative for the *Manchester Guardian* of Britain will serve as chairman of the symposium. The symposium is designed to acquaint the University students and faculty with the prize winning novel by Boris Pasternak. The novel has been one of the most controversial to see print in recent years. It has been translated into 17 languages and is a best seller in bookstores throughout the world.

Through *Dr. Zhivago*, Mr. Pasternak reveals that man has a right to spiritual freedom, a right to preserve his dignity and to fulfill his individual destiny and a right not to be lost as an expendable cog in the Soviet collective machinery.

The second program, to be presented by the Council and Psi Chi will be a lecture of Extra Sensory Perception by Dr. J. B. Rhine. Dr. Rhine is a pioneer in the study of this phenomenon.

Extra Sensory Perception is a form of mental telepathy. Certain perceptive persons are able to visualize things that are happening miles away without knowing before hand of their existence, and to visualize future events.

Both of these programs promise to be extremely interesting and informative. We hope the student body will support them.

Class Councils

... Twenty-two years ago G.W. students were discussing this issue.

• SIGNS OF THE ultimate rebirth of class organization are evident in the announcement of the projected organization of a Freshman and a Sophomore club.

Two long-range motives have impelled this development: one, the possibility of creating a continuing class organization, beginning with the freshman as he enters; two, an opportunity to develop active friendships among classmates. An auxiliary motive, and one that probably will receive the most immediate and active attention, is the adaptability of these new organizations as activity promotion units.

In the proposed step-up, the new class clubs are to be essentially "private" in nature, they will hold the administrative or legislative powers, and, as with other organizations, will fall within the jurisdiction of the Student Council and the Student Life Committee.

In its most immediate aspect, that of activity promotion, the "private" features of the clubs will lose prominence. By their very nature, the Clubs are to take a place in day-school campus life as an activity coordination and social recreation center. And in this function, the clubs in effect will supersede the present "School Council" system.

By their very organization, which, it is expected, will be rather active, the Freshmen and Sophomore clubs could be able to effectively perform many of the functions usually ascribed to the minor councils under the present Student Council system—which councils, with few exceptions, have failed to act, or have failed in action.

The projected day-school organization should prove a welcome corollary to the student government. In a period of time, it seems probable that such class organizations as here suggested will care for the student and his class, and that the Student Council will take what is becoming to be recognized as its rightful place—that of an activities council.

And because we feel that the organization of the Freshmen and Sophomore clubs will materially effect the entire system of relations between the student, his classmates, his activities, and his University, we suggest that final organizational action including ratification of the constitution, be conducted in a "University manner" and be delayed to allow the very necessary discussions of what is being done, and the effects of that action.

Student Hosts GW Law Day

by Terry Bishop

• THE OUTSTANDING SOCIAL and professional event of the year for University Law students is Law Day.

This year, the program, held in conjunction with Law Day U.S.A., on May 1, 1959, consists of a reception, dinner and speech by Senator Frank E. Moss, a graduate of the University Law School, and the Law Day Dance, all held at the Shoreham Hotel, Terrace Banquet Room. Chairman of 1959 Law Day is Dale Carlisle, a second year day student in the Law School, from Walla Walla, Washington.

While at the University, Dale served as Day Vice President of the Law School for the past year. Last year he was also a member of the Student Bar Association Board of Governors, serving in the capacity of American Law Students Association Representative. He is a member of Delta Theta Phi Law Fraternity.

Mr. Carlisle feels that the Student Council, in contrast to those of most other schools with a large group of graduate students, has co-ordinated with these graduate students and promoted better relations between the two levels. He thinks better publicity at each level of the other's activities will serve to further these relationships. Such things as intramurals, all-campus programs and co-ordinated activities need law school undergraduate combination and although these programs are progressing, better publicity will help all of them. Mr. Carlisle rates late graduates, inadequate facilities and weak placement as the outstanding Law School problems. He thinks solutions to these problems lie in the Student Bar Association and the Administration.

Campus Life

He is impressed by the "campus life" which the University succeeds in promoting in what is a "downtown school." The school seems to have essentially the same problems of Student disinterest and of difficulty in Administrative recognition of student government that many schools have, he said. To help solve these problems he believes definite action should be taken to strengthen various areas of student activities. Included in this, he thinks an activities point system, which would keep the busiest people from taking that "one more thing" and would spread the burden and benefit of these extra-curricular activities to more people, should be included.

A free rein and less red tape for students wishing to start campus groups should be made possible, he said. He feels that for each group that blossoms, one will die. And also that through this, campus political groups, radio people and national political parties will have a greater opportunity to survive and not die merely because of difficulty in gaining recognition. He said some means should be instituted to instill in the students a respect for the school and a feeling of duty owed as a alumni of the University.

Representative

As the George Washington Law School representative to the American Law Student Association Congress in Los Angeles last summer, he had the opportunity to compare our Law School, in all of its phases, with those of about sixty others throughout the nation. The Student Bar Association at the University compares favorably with those at other schools as evidenced by the fact that the George Washington Association has won the Outstanding SBA award three times. This award is a credit to the outstanding work of the Law School faculty and student body which comprise the Association.

Dale graduated with honors from the University of Idaho in 1957 and was chosen as one of the top ten seniors. He was captain of the Idaho swimming team, president of Blue Key, a Junior-Senior Men's honorary, and represented Idaho at the National Student Association Congress in Chicago in 1956.

LITTLE MAN ON CAMPUS

Colonials Have Slate; Indi-ans Organized

• TIM MEAD RECEIVED the presidential nomination of the Colonial Campus party at the organization's meeting last Friday.

Mead won the top position on the party slate by defeating Dick Willis by a vote of 92 to 43. Over two hundred students were jammed into Gov. 101 to take part in selecting the party's candidates for the spring elections.

Tom Heustis gave the keynote address in support of Mead's candidacy. Heustis stated that Mead has been unyielding in his efforts to establish a student political party on campus, despite frequent faculty hostility. He has demonstrated his leadership ability through his outstanding performances in many University organizations of which he is a member.

Heustis added that Mead has an intimate knowledge of student government and parliamentary procedure, having served as Council advocate during the past two semesters.

John Prokop received the party nomination for vice-president. Prokop has been a prominent member of all University publications during his five semesters at the University. He was elected after Burt Kaplan and Charlie Landon declined nomination.

Political Miracle

A party spokesman stated that Prokop's nomination was a political miracle. Several candidates for the vice-presidential nomination had been mentioned frequently in party circles, but apparently were unable to gain sufficient backing for the nomination. Prokop threw his hat into the ring at the last moment and was able to rally enough support to win after Kaplan and Landon withdrew from the race.

Roger Stuart and Lou Van Blois battled it out for the publicity director nomination in the closest contest of the day. Stuart, who had been considered a virtual unknown by the party's inner circle, showed surprising strength in losing to Van Blois by a close 48 to 41 vote.

Bill Stuart defeated Harry Jones for the member-at-large nomination. Jones has indicated that he still plans to run and will enter the race on an independent ticket. Roy Dubrow received the nod over Jack Linn for the Student Union chairman nomination for Columbian College representative.

Unanimously Nominated

The following people were unanimously nominated to run for their respective posts on the party ticket: Gayle Cook, activities director; Stan Heckman, student comptroller; Rhoda Ezrin, freshmen director; Mary Foster, secretary; Dave

• THE INDI-ANS, SECOND campus political party to organize for the upcoming Student Council elections, adopted, last Friday, a platform consisting of five major planks.

The platform was presented for group discussion by platform committee co-chairmen Bill Davis and Robert Coyer. The five planks included: 1) Endorsement of continuation and acceleration of a cultural affairs program, 2) A study of possible Administration action to (a) establish a branch bank or credit union to cash checks and provide savings and loan services, and (b) to survey parking needs and more efficient use of the University parking lot, 3) Endorsement of the present registration system, since any change would give unfair advantage to certain students, 4) Renewal of efforts to improve cafeteria food, services, and furnishings and 5) Encouragement of a study of the need and feasibility of installation of lockers in the Student Union.

Spokesmen for the group, in a statement to the HATCHET, said the prime purpose of organizing the party was to give the University truly responsible school government. They feel that political parties can provide such improved government, but at the same time feel that one party alone might very well prove less desirable than no parties at all.

At previous meetings on Wednesday and Thursday, temporary chairman Dave Fentress discussed the Indi-ans' aims with the group. At the Wednesday meeting, Theresa Conroy was appointed temporary secretary and Robert Coyer, temporary treasurer.

Mr. Fentress, speaking for the Indi-ans, invited all interested students to attend the group's nominating meeting on Wednesday, 2 p.m. in Woodhull C.

Aaronson, advocate; Pat Meecham, program director; Ronald Grossman, School of Engineering representative; Elaine Cohen, School of Education representative, and Ben Finkle, Junior College representative.

The party nominees will meet today at 12:30 p.m. in the Student Union conference room to make plans for the coming campaign.

Treasurer Charlie King reported a balance of seventy-five dollars in the treasury. These funds will be spent during the coming election campaign at the discretion of the publicity director and the executive committee. Candidates were reminded that they must have their petitions for candidacy turned in before April 17.

• A LITTLE SPRING SNOW never hurt anyone, and its an inductive atmosphere to one stuck with authoring the perpetual "Foggy Bottom."

You will excuse your Aunt Hester this week for any gross mistakes appearing in the column. She is still a bit awed by her exciting time last Thursday evening with Alice Pearce, Michelle Rdner, Eddie Lawrence, Paul Davis, and other members of the "Bells Are Ringing" cast, who have just recently left for a six-week engagement in Los Angeles. Miss Pearce treated yours truly to a wonderful time at the Variety Club in the Willard hotel.

Ben Finkel of PIKA is the man of the week as he was selected as the 1959 Mr. Apollo at Hille's Ball o'Fire last Saturday. Ben was chosen by the three judges, Dr. and Mrs. Richard V. Stephens (he is the well-known Sociology professor), and a lovely young thing who had just landed on a Capital Airlines flight (she was a stewardess). AEPi Nancy Ackerman and TEP Mary Bertman are worthy of congratulations for providing a good time for all who attended the dance in the Terrace Room of the National Airport.

Apollo candidates and dates included Apollo Finkel and AEPi Elaine Cohen AEPi Burt Kaplan and co-chairman Nancy, Phi Sig

Bart Crayella and AEPi Gayle Cook, Phi Sig Lou Van Blois and Chi O Glinger Thomas, SAE Bob Price and DG Margo Herr, John Zier and Phi Sig Sig Evie Hartman, Delt John Colocco and KKG Pat Gillam, AEPi Bob Lipman and Adrienne Epstein, TEP Mike Bellet and Debbie Seboltz, SX Boots Busky and Nellie Seboltz and Pike Marion Hoar and DG Nancy Koontz.

Another Sigma Nu spectacular was presented at the Ball o'Fire when Sigma Nu's Apollo candidate Al Johnson, dressed in a tunic and crowned with a garland of ivy, and date, Sue Rust, were escorted into the ballroom atop a golden litter. Dick Wells, Spero Kriptos, Chuck Stirling, Carl Prout, and Ed Gross acted as pallbearers. Deacon John Harrison and Nick Smart, the boisterous prophet, led the procession. The Vestal Virgins, strewing rose petals, included Sharon Ronningen, Joyce Ormsby, Pat Sherer, Vera Wunsch, Mary Ann Ruzcek, Jackie Jones, Machin Smith, Esther Iseman and Sally Tuomalis. Also acting as valets were Ernie Sult, Harry Jones, Bob Musgrove, Bill Pritchard and Gordon Johnson.

The Tekes were there to cheer on their Apollo candidate who turned out to be King Kong (Don McLaughlin). Other couples I spotted were AEPi Bernie Karmel and AEPi Rhoda Ezrin, SX Hal

Bergem and Kay Buchanan, Phi Sig Don Pavony and Pi Phi Pepita LaSalle, TEP Leo Breichtman and AEPi Leah Beyda, TEP Steve Gordon and AEPi Toby Gutwerk, AEPi Roger Zucker and ANPhi Lorraine Meyerovitch and Jerry Rosenthal and AEPi Penny Kramer.

Dottie Lund, ZTA, was crowned as the 1959 Sweetheart of Tau Kappa Epsilon last Friday at the Bethesda Women's club, scene of the Tekes' Triangle Ball. Dottie was crowned by the 1958 Sweetheart, Janet Glenn, Tekes president Jim Wiles presented several awards at the dance. Seen reveling there and at the house party afterwards were Hank Engelbrecht and DG Bev Magee, Bill Magee and ZTA Dottie Nelson, Wes Schlotzhauer and ZTA Janet Glenn, Rod Macintosh and Guillemette Felvre, Mark Bransjetter SK Louise Monaco, Jim Wiles and ZTA Jackie Jones, Jay Earle and ZTA Frances Bell, Craig Davis and 1958 Pledge Queen Pris Hardin, Jack and Harriett Williams, Tony Suescum and pinmate, Pi Phi Florie Cavin, Vince Finelli and pinmate, KD Jane Shouse, Paul Chasey and AEPi Mary Alice Coates, John Vogt and ZTA Anita Smith and Harry Dinwiddie.

A fantastic Open House was hosted by Phi Sigma Sigma last Friday. Seen around the abundantly flowing coffee were Judy Holsberg, talking with Manny Somer, and Letty Katz and Betty Pitt, entertaining GW meds, John Wangler and Jack Kudin. Social Chairman Pat Kerman was spotted chatting with Jerry Sussman and Dale Carlisle. Things became

crowded so Eve Bronstein and Pearl Rappaport entertained GW laws, Joel Abramson, Ernie Grops, and Fred X, in another room. Estelle Luber remained in the living room with Helene Strauss and Barry Grossman. Bev Protas and her fiancé, Bob Katz, showed up to greet everyone. Also enjoying the fun were Nancy Pitte and TEP Les Rose and Sandy Spivak and Ron Kransdorf.

Friday night activities at the Delt House got off to a slow start due to a mechanical problem with the music box, but after a few futile attempts by the Delt engineering staff led by Calypso Cornelius, some liberal arts students and a couple of Kappas managed to fix the technical

equipment, and the party gathered momentum from then on.

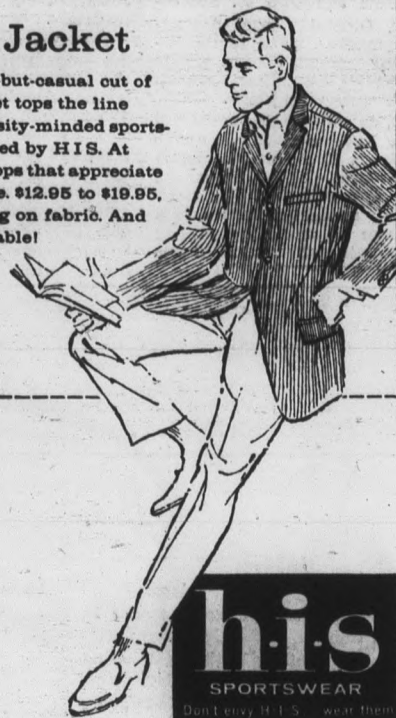

Monday night ADPI entertained AEPi at a coffee hour. Two of the campus political leaders, Stan Heckman and Dave Aaronson, stirred the ADPIs with their profound statement, "We have to go to class." They missed the exciting part of the evening, the fire drill.

Now for those who have become carefree: Sigma Nu Ken Callaway, presently working for the Arkadelphia Siftings Herald, announced his engagement to GWite Barbara Keesee, while on his recent visit to D. C.

Me, I'll just walk beneath the cherry blossoms and wish.

WHO SAID IT FIRST?

A column of incidental intelligence
by Jockey brand

"TO HAVE AND HAVE NOT"
The privileged and the underprivileged, the rich and the poor—most of us have a tendency to divide mankind into two classes. The man who showed us how to do it was Cervantes. In "Don Quixote", he wrote:

"There are only two families in the world, the Haves and the Have Nots."

"WHEN IN ROME..."
...do as the Romans do, we say, thus misquoting a line from Burton's "Anatomy of Melancholy". In this monumental book, the celebrated vicar stated it thusly:

"When they are in Rome, they do there as they see done."

"JACK SPRAT"
No, "Anon" didn't coin the famous quatrain concerning the thin man and his peculiar eating habits. Instead, it was a certain John Clark in something called, "Paraemologia", written in 1639:

"Jack Sprat will eat no fat,
And Jill doth love no lean,
Yet betwixt them both
They lick the dishes clean."

Old Men Petitions

• PETITIONING FOR OLD Men started yesterday and will last until Friday, April 18. Petitions will be accepted in the Student Union from 12 noon to 1 p.m. and 5 to 6 p.m. and in Thompson hall, 3rd floor, Monday and Wednesday, 5 to 6 p.m.

'Blazin' Band'

• THE UNIVERSITY Dixieland Band has finally succeeded in purchasing seven scarlet red, three-button, 100% wool, Ivy league blazers. The purchase was made with funds made available by L.F.C. and the Panhellenic Council. It will allow for uniform dress by band members consisting of the blazers, charcoal grey flannel trousers,

black shoes, black bow ties and straw hats. Dick Wills, band director, said that red was snappy and wouldn't present such a cleaning problem as the buff color considered earlier. Also, they decided against blue because a number of fraternities use blue blazers. He hopes that the band will have enough funds to purchase blazers for the Pep Band by Fall.

Meds Near Crown; Lipman Cops Title

• THE MED SCHOOL has practically clinched first place in intramurals. With only golf, softball and track left on the schedule the Med School has a commanding 250+ lead.

Bob Lipman, of AEPI triumphed over Colmery of Med School in the finals of the Annual Badminton Tournament

SC Supports Book Sales

• THE STUDENT COUNCIL last week passed a motion made by Council vice-president Betsy Evans that the Council re-endorse in full the plan of financing the Student Handbook which it supported earlier this semester.

Since the time of the first passage, Dr. Don C. Faith, director of men's activities and Miss Virginia Kirkbride, director of women's activities, have supported all but the clause which called for the sale of the Handbook as part of its financing plan.

Miss Evans' motion further stated that if any single clause recommending sale of the Handbook were omitted, it would negate all Student Council endorsement of, and participation in, the proposed Student Handbook finance plan.

The original Student Council plan was a revolutionary one in the financing of the Handbook and was, therefore, subject to administration approval. That single clause was only part of the report which chairman of the Handbook committee, Betsy Evans, made after a semester-long study of the problem.

The Committee's study involved an examination of many other school's handbooks as well as the past procedures of the University book.

last Wednesday evening, 15-4, 11-15, 15-12. As AEPI won the tournament, Lipman had to defeat Mike Spence of DTPH and Max Farrington of SAE in order to have the chance to meet Colmery. AEPI, which stands second to the Med School overall in the intramurals, picked up a total of 250 points in badminton while the Med School added only 170.

The softball season failed to open last Sunday for the 29 nines entered in the Intramural A-1, A-2, B-1, and B-2 Leagues because of the rain and cold. If games are rained out one more Sunday, the entire softball program will be deleted from Intramurals this year. However, with the prospects of bright, sunny, mild weather in view, the A Leagues squads will play two double-headers and one single game in the next three weeks. Two double-headers are slated for each of the B teams. All of the games are to be played on diamonds along Constitution Avenue from 21st to 25th Streets, namely Diamonds 9, 10, 23, 24, 25, and 26. At the moment Professor Vincent DeAngelis is revising the schedules.

This Saturday at 1:00 p.m. spikes will dig into the gravel oval and the sawdust pits as the annual track meet starts at Western High School. Besides the usual events, dashes, runs, relays, jumps, and throws, which are scheduled, there is also a football throw. To take part in the meet, the participants must sign in as their event

Practice Held For Women's Tennis Squad

• THE WOMEN'S TENNIS club will hold the last in its series of tryout matches this week in preparation for the opening match against Mt. Vernon Jr. College on Thursday.

In the semi-finals of the singles matches Bonnie Borden meets Jane Richards, and June Clifton plays Sallie Wray. These two matches are scheduled for 1:30 p.m. today.

Sallie Wray has been the big surprise in the tourney thus far. She has defeated Cookie Fischgrund, former D. C. Junior Singles and Doubles winner. Miss Wray and Miss Borden are both former champions of Claremont Country club in Claremont, California. Miss Clifton, another very promising prospect this season, comes to G. W. from Texas where she was the number one player on the East Texas State College team.

The Women's Tennis Team will play five matches this season. Following Thursday's meeting with Mount Vernon Jr. College, the team will face Trinity College (April 22), American University (April 29), Dunbarton College (May 5) and Marjorie Webster Jr. College (May 13).

Results to date in the try-out tournament are as follows: Singles: June Clifton defeated Sue Flocken 6-1, 6-1; Bonnie Borden defeated Ann Hughes 6-4, 9-7; Jane Richards defeated Nina Di-Pierre 6-4, 6-2; Jane Richards defeated Celine Merrill 7-5, 6-3; Sallie Wray defeated Tibby McFarland 6-1, 6-2.

Doubles: Celine Merrill and Ann Hughes defeated Jane Richards and Sue Flocken 6-0, 6-0; Marty Weymer and June Clifton defeated Ann Byrd and Carolyn Barcay 6-1, 6-0.

comes up. To get participation points an organization must enter at least five men.

The Intramural duellers must tee off by April 25 on Course F of the Haines Point Golf Course. With each group of golfers from one fraternity, a member of another fraternity must tour the course in order to attest to the scorecard.

Fraternities Debate Insurance Dilemma

• THE INTERFRATERNITY COUNCIL suggested a new intramural insurance plan at their meeting last Tuesday evening.

This new plan may be arranged so that it could affect all students wishing insurance, an I.F.C. spokesman said. Under the new plan all students could sign up for the program during school registration.

Buff Golfers Ride Slump

• THE G. W. GOLF team was defeated last Wednesday in a match with the Georgetown Hoyas.

Bethesda Country club was the scene of the close contest which finally saw the Hoyas pull away and triumph 14½-12½ in the 18-hole Nassau match. The win was the second for the Hoyas over the Buff in as many seasons.

Joe Haney, who has sparked the Buff squad since the season first opened, turned in a 71 to lead the Colonial scorers. Haney, a two year letterman, has proved

The plan would not be mandatory but would be something which students could take advantage of, if they wished to. Coverage of injuries would probably run from \$500 to \$1000, depending upon the premium settled.

Full Coverage

This coverage would be in effect to and from school and during all school activities. If this new proposal succeeds in being adopted the fund proposed by Sigma Nu delegate, Bill Belford, earlier in the semester would be dismissed. This plan was to be a temporary means of coverage until a better system could be provided, the Council spokesman said.

Fraternity house fire inspections was another topic for discussion at the Tuesday meeting. It was reported that District Fire Marshal Sutton was to have inspected all of the fraternity houses by yesterday. The IFC fire-prevention committee, under the chairmanship of Ross Heasley, Acacia, has already made an inspection of all the fraternity houses and plans to make two more inspections before June.

Inspections

The object of these inspections is to make the fraternity members more alert to possible fire hazards with the hope that they will take precautions.

Mr. Heasley said that the houses were found to be in "fairly good" condition. One thing, he pointed out, which no house has, is a closed stairwell.

Improper waste baskets, over-used extension cords, and burnable material near furnaces were found to be common offenses, he said. Paint in almost all houses was discovered in the furnace room, too, he said. The inspections have been held on Saturday mornings, but the fraternities did not know when to expect the Committee's visits, he concluded.

'World' Tour

• THE INTERNATIONAL Relations club's embassy tours will depart from the Student Union at 1:30 p.m. on Thursday, April 16. Those embassies to be visited include the Indian Embassy, 2107 Massachusetts ave., n.w., 2:00-3:00 p.m.; the Chinese Embassy, "Twin Oaks," 3225 Woodley Road, n.w., 3:30-4:30 p.m., and the Russian Embassy, 1125 16 street, n.w., 5:00-6:00 p.m. If anyone can provide transportation, please notify Miss Sylvia Scroth at ME. 8-5630, ext. 207.
